Dave Eastman

Dave Eastman was baptized in the late 1970's as a college student at the Crossroads Church in Gainesville, Florida. After graduating from the University of Florida, he entered the full-time ministry, beginning as a campus and singles minister in Indianapolis, Indiana. It was there he met and married his wife Kathy in 1983. For the past 26 years, Dave and Kathy have served in ministries all over the US and Canada, and joined the Chicago team in July of 2006. In addition to leading the Central Ministry Center in the Chicago Church of Christ, Dave also serves as the congregational Worship Leader.

Over the past 6 years, Dave has immersed himself in the study of worship, and in the process has developed a relentless passion for vertical worship. He has helped to produce two CDs in live worship concerts, established and trained worship bands, written worship songs, and actively teaches the principles of connective worship in individual congregations, geographic regions, and nationwide worship conferences throughout the U.S. and Mexico.

In 2008, he co-authored his first book, That You May Believe, focusing on the miracles of Jesus, with John Oakes. In 2009, he received a \$10,000 Grant to promote Worship Renewal in the Chicagoland area; together with a team of almost 40 disciples, this Worship Renewal Group has focused on restoring a more passionate, connective and intimate worship, embracing and balancing traditional, cultural and generational concerns.

The great joy of Dave's life is his beautiful wife Kathy and their three children – Jennifer (24), Kyle (22), and Stephanie (17).
